MID-CAP SUMMARY

Summary Intended for Business Development Purposes

KPS
CAPITAL PARTNERS, LP

KPS Capital Partners, LP ("KPS") is a leading global private equity firm that makes controlling equity investments in manufacturing and industrial companies across a diverse array of industries.

KPS creates value by structurally improving the strategic position, ompetitiveness and profitability of its portfolio companies, rather than primarily relying on financial leverage. KPS creates value almost exclusively through operational and performance improvement, and has employed the same investment strategy for over 30 years.

KPS drives a culture of continuous improvement in safety, quality, customer service and on-time delivery – and overall manufacturing excellence.

Approximately

$19.1 billion

of assets under management as of June 30, 2026.

Investment Criteria

KPS Mid-Cap targets the same type of investment opportunities and utilizes the same investment strategy that KPS has successfully pursued for over three decades.

KPS Mid-Cap leverages and benefits from KPS' global platform, reputation, track record, infrastructure, best practices, knowledge and experience.
